

ATGA Validated Seedling Tree Evaluation Program (AVSTEP)

Suggested changes

Note limited printing space for words (See existing label)

ATGA (batch identification number) Seedling tree number/batch total number.

Sourced from a batch of truffle inoculated seedlings, independently evaluated under the ATGA Validated Seedling Tree Evaluation Program (AVSTEP). Evaluation results are available from the producing nursery and from the ATGA website; for detail see www.trufflegrowers.com.au – and enter code (batch identification number).
